### **FIXED LIMIT ACES CRACKED | EVERY DAY STARTING AT 9AM**

Starting at 9am, the first 4 guests to lose with pocket aces while playing live fixed limit Texas Hold'em will receive a payout. Only fixed limit games of 3/6 Texas Hold'em and higher are eligible. 2/4 Texas Hold'em is not eligible for this promotion. The first guest to lose with pocket aces while playing live fixed limit Texas Hold'em will receive \$200. The next two guests to lose with pocket aces while playing live fixed limit Texas Hold'em will receive \$100 each. The fourth person to lose with pocket aces while playing live fixed limit Texas Hold'em will receive \$200. \$600 max payout per-day. If on the first payout, two guests with pocket aces lose in the same hand, the first and second payout will be added together and split equally. If on the final payout, two guests with pocket aces lose in the same hand, the remaining payout will be split equally. Unpaid monies from previous eligibility periods do not roll over into subsequent eligibility periods. This promotion runs until \$600 is paid out, or the next eligibility period begins at 9 AM the following day.

### **FIXED LIMIT HOLD'EM HIGH HAND | EVERY DAY: 4:30PM-4:30AM**

Every day of the week players will compete to get the highest ranking hand at designated times starting at 4:30 PM. Only fixed limit hold'em games of 3/6 and higher will be eligible. 2/4 games are not eligible. Half-kill and full kill games are eligible. Mixed games are not eligible. Players will get a chance to win high hand of the hour at 5:30 pm. No player will be awarded for a high hand at 4:30 pm as that is when we will start recording high hands for the 5:30 pm payout. In the event a player has an eligible high hand but their game breaks, the player will remain eligible under two conditions: the player joins another fixed limit game of 3/6 hold'em or higher as an active player, or if no such game is running, the player is placed on a waiting list of fixed limit 3/6 hold'em or higher, and remains in the room. In the event a player has multiple high hands, only the highest ranked hand will be considered for a prize. Players must be present to win.

5:30pm 1st place gets \$100 | 6:30pm 1st place gets \$50 | 7:30pm 1st place gets \$50 | 8:30pm 1st place gets \$75  
9:30pm 1st place gets \$100 | 10:30pm 1st place gets \$50 | 11:30pm 1st place gets \$50 | 12:30am 1st place gets \$75  
1:30am 1st place gets \$75 | 2:30am 1st place gets \$50 | 3:30am 1st place gets \$50 | 4:30am 1st place gets \$100

In the event of any complete ties for high hand (all five cards are the same for each player), the players will chop the associated payout. The announced high hand must beat the listed high hand in order to be considered. Any potential high hand must include at least one card from the player's hand (hole card) and beat the current high hand to qualify. The only way a high hand can tie is if multiple people have the same qualifying hand at the same time. All tie payouts will be totaled and split up equally. The hand is eligible for the promotion that is active at the time the hand is tabled.

### **HOLD'EM PROGRESSIVE BOARD | EVERY DAY: 1AM-6PM**

The progressive board will have 21 hands, quads of each card rank (13), straight flush for each suit (4) and Royal flush for each suit (4). Each spot on the board will be seeded at \$80 on the first day of the promotion. Once a spot is hit, it cannot be hit again until the next day of the promotion. Hold'em Progressive Board reseeds at 1:00 AM daily. The promotion runs from 1:00 AM – 6:00 PM each day. All prizes of the spots that were not hit will carry on to the next day and will increase by \$10. All spots hit on the previous day will reseed at \$80.

Only Hold 'em qualifies for this progressive board. Players must use two cards in their hand to qualify. The hand is eligible for the promotion that is active at the time the hand is tabled.

### **LATE NIGHT SPREAD LIMIT BONUS | EVERY DAY STARTING AT 1AM**

Each morning between the hours of 1:00 AM – 9:00 AM hands on the Hold'em Progressive board will pay their displayed value plus an additional 50% of their displayed value if the progressive board hand is hit on 2/100 or 5/100 Spread Limit Hold'em only.

### **OMAHA PROGRESSIVE BOARD | EVERY DAY: 24/7**

The progressive board will have 8 qualifying hands, Flopped - Red Royal, Black Royal, Red Straight Flush and Black Straight Flush and Post Flopped - Red Royal, Black Royal, Red Straight Flush and Black Straight Flush. Each spot on the board will be seeded at \$40 on the first day of the promotion. Once a spot is hit, it cannot be hit again until the next day of the promotion. Omaha board reseeds at 9am every day. All prizes that were not hit will carry on to the next day and will increase by \$40. All spots hit on the previous day will be reseeded at \$40.

All Flopped prizes must use three cards from the flop and two cards from the player's hand. All Post Flopped prizes must use three cards from the five community cards (containing at least one of the turn or river cards) and two from the player's hand. Players can only win one prize per hand. If two prizes are hit, the higher prize will be awarded. The hand is eligible for the promotion that is active at the time the hand is tabled

Only Omaha games 4-20 or higher will qualify for this progressive board. In Omaha, players must use two cards in their hand plus three cards from the community cards (Board) to make a five card hand.

### **EARN \$2/HR IN COMPS | 24/7 ON LIVE POKER GAMES**

Table sign-in required.
