

2017 HORSEMEN INCENTIVES

- 1.** 10% Bonus to any horse that raced at Cal Expo, with a minimum of 10 starts at Cal Expo in calendar year 2017, will receive that bonus for a WIN at Running Ace in 2017. That bonus is capped at \$1,500 per horse.
- 2.** 10% Bonus to any horse that is totally owned by a Minnesota resident(s), as defined by the MHRI, will receive that bonus for a WIN at Running Aces in 2017. That bonus is capped at \$2,500 per horse.
- 3.** 10% Bonus to any Minnesota Bred horse that finishes 1-2-3 in an open, non-restricted, overnight race at Running Aces in 2017 per horse.
- 4.** Minnesota Bred horses finishing 6-7-8-9 in MN Bred restricted, featured races will receive the following bonus. The 6th place horse will receive \$600 and the 7th, 8th and 9th place horses will receive \$300 each. If the race splits into two divisions, the bonus will be reduced to \$300 for 6th and \$150 for 7th, 8th and 9th place horses.

The only restriction is that any single horse is only eligible to receive ONE BONUS. NO DOUBLE BONUSES. Any horse that is sold or claimed is still eligible to receive any bonus that is attached to that horse, with the only exception being in item #3 where if the horse is sold or claimed it must be by another Minnesota resident.

100% MHRI stall reimbursement program will be capped at whatever Running Aces' stall cap allotment will be.
