# THE GREAT MN POKER TOURNAMENT

## Running Aces CASINO • RACETRACK

### ENTRY/RE-ENTRY:

Available until the end of the 1st break for Qualifiers (+/- 2 hours). Entry and up to 3 re-entries available until the end of the 2nd break for Main Events (+/- 3 hours). Available for all other (daily) events until the end of the 1st break (+/- 1.5 hours).

### DAY 1 & DAY 2 LEVELS:

Each flight plays levels 1-18 and features 20 minute blinds. Day 2 starts on level 19 and features 25 minute blind levels until 27 players remain. At that point seats will be redrawn. Play will resume nine-handed and feature 30 minute levels. Any flight that gets to 10% of the entries remaining will halt play. Sunday play will then commence with the level that the short-playing flight ended with.

### BEST STACK FORWARD:

Players can play multiple flights if they so desire. If a player bags multiple times, they will take their biggest chip stack forward into Sunday; the smaller chip stacks are forfeited. If a player gets multiple stacks thru, their smaller stacks will be exchanged for an entry into a future \$150 Double Stack event of their choice. This bonus entry does not come out of the prize pool!

### STAFF APPRECIATION AND STACK BUILDER ADD-ON'S:

\$10 Staff Appreciation Add-on for 10K in chips available at entry point. \$50 Stack Builder Add-on available once per entry, redeemed at the table. Players will receive a chip at entry; this chip and \$50 cash can be redeemed at the table for an additional 20K in chips. Chip must be redeemed before the start of the hand to be eligible for that particular hand. If a player busts and wants to redeem the chip they must do so before the start of the next hand.
