MINNESOTA RACING COMMISSION

Regarding those shipping into qualify or race. "ship-in" meaning those who do not have assigned stalls for the race meet at RAHP.

At this time the designated ship in stalls are not to be used over night, if the covid protocols are changed this issue will be addressed

Those shipping long distances will need to make arrangements with a place that has stabling off the RAHP property

We are dealing with unusual circumstances in 2020,
We appreciate your cooperation
