Any prize not hit will carry over until the next date/time and increase by \$10. Only Hold'em qualifies and at least one hole card must be used but it cannot be the kicker. Spread Limit Bonus - All spread limit games of 2-100 or higher will receive a 50% bonus on all Late Night Progressive payouts.

LATE NIGHT HIGH HAND | M-F: 1AM-8AM - S & S: 2AM-8AM

One \$50 winner will be awarded at the top of the hour for every fixed limit table that has been in operation for at least 30 min. High hand is official at the top of the hour, regardless of when hands were dealt and the official clock is at the poker board. Prizes are not table specific, but the same guest may not win multiple prizes in an hour. Only Hold'em, Omaha, and mixed games qualify, but they must be fixed limit and they will be considered separate game types. A high hand must be beat, if the same hand is hit during the same qualifying period, the first hand recorded will rank higher than the second. If two guests have the same hand, at the same time, they will split any prize that is awarded to them. At least one hole card must be used but it cannot be the kicker. In order to win a prize, a player must be playing in a live game; if they cannot stay, their prize is forfeited.

ACES CRACKED & SPLASHED | MON & FRI: 8AM-3PM

If a guest has pocket aces and gets beat, they will receive \$75 in chips and \$50 will be splashed in the pot. The first two payouts of the day will be doubled. Once a maximum of \$1,750 in payouts has occurred, or if 3pm hits, the promotion will end. Must be an eligible member of the game when the aces are cracked in order to qualify for the splash pot and all missed blinds must be posted.

BOUNTY BONUS BOARD | EVERY DAY: 3PM-1AM

There will be 29 total prizes that can be won each day, each combination will pay \$50. Once a prize is hit, that combination will be removed from the board. Hold'em and Omaha qualify for this promotion. Both games require two hole cards to be used, Omaha requires the combination to hit on the flop. If two players hit the same combination at the same time, the winner will be at the table that started the deal first.

HIGH HAND | TUE, THURS & SAT: 8AM-3PM

Up to two winners every hour, one \$100 winner in Hold'em and one \$50 winner in Omaha. The first recording of hands will begin at 9am and the first winner(s) will be awarded at 10am. High hand is official at the top of the hour, regardless of when hands were dealt and the official clock is at the poker board. A high hand must be beat, if the same hand is hit during the same qualifying period, the first hand recorded will be the winner. If two guests have the same hand, at the same time, they will split any prize that is awarded to them. At least one hole card must be used. In order to win a prize, a player must be playing in a live game; if they cannot stay, their prize is forfeited.

SPLASH POTS | SUNDAY & WEDNESDAY: 8AM-3PM

There will be two tables splashed with \$50 at the top and bottom of each hour. The poker board random generator will identify the winning poker tables. Must be an eligible member of the game when the table is selected in order to qualify for the splash pot and all missed blinds must be posted. Only Hold'em, Omaha, and mixed games qualify.
