RUNNING ACES TO TEMPORARILY SUSPEND CASINO & HOTEL OPERATIONS

Columbus, Minn. (March 16, 2020) ---. Running Aces has temporarily suspending all casino, simulcast, dining and hotel operations, effective 5:00 p.m. on Monday, March 16, 2020. This closure comes from recommendations of the CDC, Minnesota Department of Health and the Minnesota Racing Commission.

There have been no reported cases of COVID-19 at Running Aces to date. This has been an extremely difficult decision as we weighed the significant impact to all affected parties, including the 650+ employees.

Planning continues for the upcoming Harness Racing Season that is scheduled to begin on Saturday, May 16, 2020.

This is an evolving situation and timelines are ever shifting. We will work on reopening as soon as we can. We are grateful for the continued community support.

About [Running Aces® Casino, Hotel & Racetrack](#)

Running Aces is the Twin Cities' premier card room, hotel and entertainment destination, with a live harness horse racing season and trout fishing experience throughout the summer. The newly opened state-of-the-art 116 room, full-service hotel features a modern look, the latest technology, and amazing views of the racetrack. The *Trout Air Fishing Experience* is a "You Catch'em, We Cook'em" facility, and is an unbeatably fresh dining experience offered only at Running Aces. More than 650 dedicated employees have been serving up the best in food, cards, simulcast and entertainment since 2008. Open 24/7, Running Aces is located one exit past the 35 and 35W merge, just 20 minutes north of 694. RunAces.com
